

The EPIC Center

2024 Year of Life Review

This year has been a journey of growth, love, and impact at the EPIC Center. With new leadership, fresh faces on our team, and the unwavering support of our volunteers and donors, we've been able to walk alongside women facing unplanned pregnancies, offering them hope and a path forward. Because of your generosity, countless lives have been touched, families strengthened, and barriers to motherhood removed. Together, we've empowered women to choose life and shown them they're not alone. Thank you for being the heart of this mission.

Gospel was
presented.

A young woman came to the EPIC Center this year, overwhelmed and considering abortion. During her visit, an ultrasound revealed her baby's tiny heartbeat, but she still wasn't sure. God used the care and hope she found at EPIC to change her heart. She chose life and later welcomed a healthy baby boy.
