

# Sanctity of Human Life Month

**January 2025**

*Celebrate the gift of LIFE*

**This month, our church honors Sanctity of Human Life Month, emphasizing the value of every human life from conception to natural death.**

**Psalm 139: 13-14**

## **Celebrate the Gift of Life with Us!**

**Why It Matters: Every life is a precious gift from God, and as a church, we are called to protect and cherish that gift. During January, we will reflect on the importance of life, advocate for the vulnerable, and support families in need (James 1:27).**

**Our Church is proud to support the EPIC Center, the local pregnancy center that serves women facing unplanned pregnancies and empowers them to choose life.**

### **Here are a few ways you can support Life:**

**Pray: Join a network of fellow believers, interceding for the unborn (the most vulnerable) and the needs of women, men, and families in our community faced with pregnancy decisions. Sign up to get EPIC's prayer email at <https://easternpregnancy.net/e-newsletter/>.**

**Volunteer at an organization that supports life at all stages.**

**Financially support an organization that supports life at all stages.**

**To learn more about the EPIC Center visit [easternpregnancy.net](http://easternpregnancy.net), email [ed@easternpregnancy.net](mailto:ed@easternpregnancy.net) or call 252.523.9516.**
