

January 2025

Sanctity of Human Life Month

This January, our church honors Sanctity of Human Life Month, emphasizing the value of every human life from conception to natural death.

Psalm 139: 13-14

Why It Matters:

Every life is a precious gift from God, and as a church, we are called to protect and cherish that gift. This January, we will reflect on the importance of life, advocate for the vulnerable, and support families in need (James 1:27).

Our Church is proud to support the EPIC Center, a local pregnancy center that serves women facing unplanned pregnancies and empowers them to choose life. Please be in prayer about how you can support the EPIC Center and other organizations that support life in our community
